MEMORANDUM FOR THE JOINT CHIEFS OF STAFF

Subject: Supplemental Situation Report Number 26 as of 042100Z
November 1962. Operation SCABARDS

1. Intelligence

a. International Reactions

(1) Military reactions

(a) (U) Nothing of significance reported since Supplemental Sitrep #25.

(2) Political & Press Reaction

(a) (S) Many Latin American governments are concerned that widespread Communist sabotage efforts, similar to the operations in Venezuela, may be in store. The Soviet promise to dismantle its bases has thrown many local Communist parties into confusion, and dissension is developing in many of those organizations.

b. Indications

(1) (U) Nothing of significance reported since Supplemental Sitrep #25.

2. Operations

a. Operational developments

(1) (3) Reconnaissance flights over Cuba were continued today. Eight (8) sorties were scheduled and flown. No opposition was encountered. Degree of success was 35 to 50 per cent due to weather.

b. (U) Status of CINCLANT/CONAD Forces

(1) No significant change.

c. (TS) SIOP Status as of 041800Z

(1) Total Force Generated: Aircraft 1651
Missiles 395

(2) Airborne Alert:

62

3. Logistics. (U) No reported deficiencies.

John L. Chew

JOHN L. CHEW
Rear Admiral, US Navy
Deputy Director for Operations

9433/9108 (62)
